I have 2 kennels. Both are Large or Ex-Large sizes. I'm not sure, they were in my boyfriends shop when he bought it. One is missing the screws and has wire to secure it but that is a very easy fix, this kennel is actually a PetMate Ultra, I would like 40\$ for each. They are used and could use a quick wash out, but are in good condition still. I used them to store things in while moving. OBO is also on the table. Thank.
