38 Gallon Cherry Wood Tank amp Stand (Anchorage)

Alaska Location https://www.genclassifieds.com/x-637669-z

I have a cherry wood trimmed 38 gallon tank plus matching cherry wood stand. It also has a matching light.

Right now, it only has a screen cover because I last used it for a terrarium. I have used it as a fish tank in the past and it does hold water.

Tank, stand, glass shelves for stand, screen top with tabs, and matching light fixture included. No other accessories are for sale. I am asking \$150.
