I have a beautiful Pit named Levi that for unfortunate circumstances I can't keep anymore. I hate to give him up but I'm moving and can't take him with me. He's 16 months old, house trained, completely black except for white on his toes and under his neck. He loves everybody but he's not so good with other dogs. I've had him since he was 3 months old and he's been wonderful ever since. I'm going to miss him so much but it would help to know that he's going to a great home where everyone loves him. I would take him to a shelter but since he's a Pit, they would probably put him down so I'm trying to avoid doing that at all costs. Please email me or call me if you're interested. Thanks so much! I look forward to hearing from.
