Hello Applicant,

READ THE WHOLE AD CAREFULLY***

We are now accepting applications for a Cinematographer/Editor to shoot projects for us in your area.

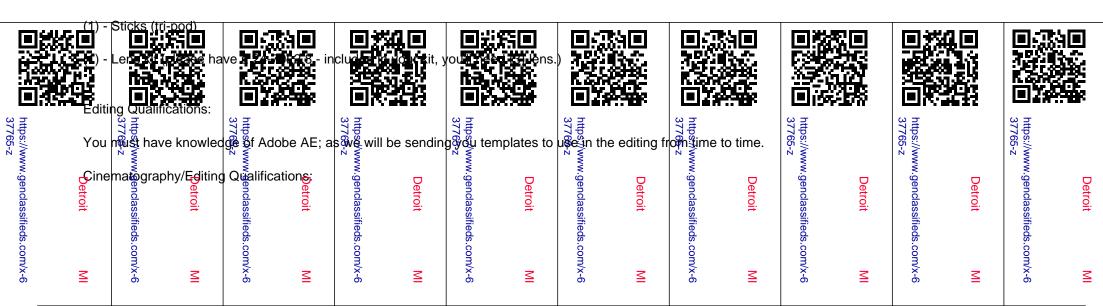

Our projects are usually a one day shoot with 72hrs to turn around an edit for us. (1-2 re-edits may be on the table)

We are currently offering a STARTING compensation of \$500.00 and have multiple gigs available; which means there is a great chance for more work.

You must have the following qualification on this list below to apply:

Camera Kit:

- (1) DSLR Camera or Mirror-less Sensor Camera (Sony A7s)
- (1) RODe Mic or better

****You must send us YOUR REEL along with ONE (1) or TWO (2) sample videos you think we should see.****

ALL APPLICANTS THAT FAIL TO PROVIDE A REEL IN THE FIRST MESSAGE WILL BE DELETED.

Production Insurance:

You must have General Liability Insurance - If you don't we will not consider you for the job. :(

(production insurance is easy to get and inexpensive, so don't be discouraged.)

If this sounds like you, then please apply to the ad; if not move on there are other jobs out there.

Best,

Producer
