New World of Discovery with Preschool Program is more than a simple family daycare, we are the place where we give good care and love to your little baby from two months to five years old; you can have peace of mind knowing your child is being cared for in the security of a home away from home, in New World of Discovery each child receives individual attention, nurturing and loving care.

Our Preschool Program embraces the philosophy that children learn best through play. We are focused on providing a developmental curriculum that is consistent with the highest standards of early childhood education.

We believe that our role as teachers is to provide care, fun and safe learning environment for your children where we teach knowledge, develop problems solving skills, exchange feelings and ideas; unfolding their creativity and initiative.
