I have one girl 12 week old Yorkiepoo (yorkie / poodle) puppy for adoption : ) she has had her first set of shots and has been dewormed. We picked her up a few days ago but cannot keep her because of our landlord. She is a very energetic and loving girl that gets along very well with other dogs too. She is also very smart! She already knows how to sit and standup on command.

Please email me if you are interested in adopting her. All I am asking for is a rehoming fee of \$400. Thank you!
