You are welcome to visit our warehouse and showroom at 13047 Lakeland RD Santa Fe Springs 90670
 Refurbished Copiers :

Our slightly used lease returns are hand picked from the most dependable manufacturers in the copier industry and are based on years of data collected from our service department. With these manufacturers we have selected the most economical and dependable models available today. By hand selecting these manufacturers and their top models, this assures the availability of full coverage, toner inclusive, When you purchase used copier from us you can expect the following:

Great Value: We offer both Black & White digital copiers and color copiers at wholesale prices .
 free delivery free installation

Local Service , Warranty.

Selection: Toshiba copiers, Ricoh copiers, Canon copiers, Xerox Copiers, Konica Minolta copiers.

1. What is a refurbished copier?

A "gently used" copier with a low meter count that our copier service technicians refurbish - inspect, service, update & certify for resale.

We acquire these copiers from off-lease, repossessions and trade-ins. Each of these copiers is in

excellent working order.
