He's stranded in omaha nebraska by the bus station and hasn't Eaten in 3 days and would work hard for a bite to eat.. he's strong and not a drug addict. Wife left him and he's trying to get back home to Michigan.. No one can help him.. I gave him my water bill money for a bus ticket to get from Wyoming to nebraska it's all I could afford. If you are traveling towards mi or pensylvaNia he would LOVE a ride.. but most importantly please buy my brother a hot dog or burger to keep him alive!
