

Harley Davidson Fuel Cap Key (Georgetown, DE)

Location **Delaware**

I found a single Harley Davidson key on a rubber 'Mike's Famous Harley' key chain at the Super Wawa in Georgetown, DE. It looks to be a fuel cap/tank key. It was on top of the end pump, far right looking at the store. If you or someone you know lost their key, shoot me an email through here and we can get this thing back to its rightful!
