I have an older female min pin mix in need of a final home. She is spayed and very friendly, potty trained and kennel trained! Loves to go for rides and walks. I Prefer her to go to a home with no young children. Older kids she is OK with. She has had a ruff life and needs someone who will love her and cuddle! She loves sleeping under the covers in bed! Moving and am unable to take her with me. Please text or call me at
