2014 Yamaha FZ09 single adult owner.

Bought new about a year ago from Brothers. This is a fun bike, hate to sell it but I need to save \$\$\$ down for a house.

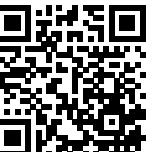

Akropovic exhaust. Fender eliminator kit. Desmog'd.

BatteryTender pigtail, helmet lock and tank protective pad added.

Laid over rolling in front of my house (tires were hard on a cold day). Scratched up on RH side a little. (see pic)

Cash only, sorry no trades.

Clean title in hand.
