Come to Parker Petsmart this Saturday Sept. 5, 10am-2pm to meet your new best friend! We have a litter of 6 boxer puppies (2 month old) with a beautiful boxer mama, available for adoption. Another litter of 9 is coming up in 3 weeks so we take deposits now. Plus, gorgeous border collie girl, sweet and happy. And also:

- 1) Brody the chi, 10-11 month old, 8 lbs, cute as can be, LOVES everybody and ADORES children. Loves to play and very smart, such a character! He helps our other new fosters to come out of their shell, what a good boy! Even older dogs will play with him.
- 2) Sugar, our famous mama chi, 3 y.o. All her puppies got adopted, but Sugar is still waiting for her forever home. She is housebroken, great with other dogs and loves to play with Brody. She loves her foster family and wonderful with their kids, but she doesn't like strangers. So quiet household is recommended for her. She is very funny looking with floppy ears, chi body and pug color, her fur is very soft and silky.
- 3) Pippa- 1 y.o., tiny 6 lbs tibetian terrier mix. Super cute with huge ears, look at that face! She came from hoarding situation, very scared at first, but wiggles her little tail already and follows you around the next day.
- 4) Judd, apricot poodle, non-shedding, 2 y.o., 12 lbs. Very sweet and social boy, loves attention and all humans, good with dogs and cats in foster home. He doesn't like crates, but so far doing really well around the house with other dogs.

All dogs are fully vetted, dog and people friendly. Most of them are good with cats.
