

bull mastiff puppies (Longmont)

Location **Colorado**
<https://www.genclassifieds.com/x-676162-z>

I have 4 female bull mastiff puppies that need a home. They are 2 1/2 months old and they are beautiful. Warning these dogs will grow to be 100+ lbs but they are awesome cause They dont require a big yard and they are mostly indoor dogs and they are lazy And eazy to walk. Good with kids. The big dog is my princess and I will see how she just likes to.
