Have you seen meow meow?? She went missing Friday August 20th in the neighborhood near little Westchester Lagoon (where you feed the ducks), Spenard and 19th are the closest cross streets. She's a petite, short haired, 11 year old, spayed black cat and is very friendly. She goes by meow meow or meowers and can be quite chatty when she wants to be. She's very much missed by all of us in the family and has never been gone this long :(If you see her please scoop her up for me or call the pound. She is microchipped and I've put out a lost cat report and will be checking the pound every couple of days. Thank you in advance! Me and my 7 year old miss her so much! Meow meow come!
