Former Teacher Offering Affordable Care (Evening and Weekends Avail) (Catonsville,

Location Maryland https://www.genclassifieds.com/x-676356-z

Hello All,

My name is Michelle. I'm a former teacher and I have been providing very affordable care in my home for almost five years now. I'm also the mom of two sons. I am CPR and First Aid ceritified and I also have my 90 hour early childhood certificate. Feel free to call if you need full time, part time, drop in or weekend care. I also have an assistant here with me during the day. Which means more one on one time for your child. During the day we play outside, have story time, circle time, and crafts. I have very reasonable prices and excellent references. I am located very close to both CCBC and UMBC. I can also be reached at I look forward to speaking with you further about your family's needs.
