Fiddle lessons for all ages and levels with a fun and experienced teacher!

My teaching incorporates my experience in a variety of fiddle styles. I teach Irish, bluegrass and old-time fiddling to all ages and experience levels. I have been teaching privately for the past nine years and graduated from Berklee College of Music with a degree in Violin Performance. I teach everything from basic fiddling and group jamming skills to fiddle tune repertoire and violin technique. Teaching hours are flexible to accommodate all schedules. Please email to set up a lesson, or with any questions. Great references available!
