

Free Kittens to a Forever Home (Kiln)

Location Mississippi
<https://www.genclassifieds.com/x-676784-z>

We have three adorable kittens ready for their new forever home. There are two black males and a tortoise shell female. Would love to see them go in pairs if possible. They adapt quicker with a sibling. Then they have a snuggle partner and a play buddy. Please text first because we don 't always hear the phone ringing. We will get back to you as soon as we.
