I have a full time job and money saved for future rent. I am clean, honest, reliable, funny, laid back, fun to be around, sociable and active. I will pay my rent on time, pay the first/last months rent and the deposit up front, and be a good roommate.

ABOUT ME: I am an energetic, easy to get along with 19 year old guy. I clean up after myself and enjoy doing things out doors. I would prefer to live with people who I can socialize with. I do not do drugs, drink, or stay out late. I am accountable for my actions, mature, honest, and am looking for similar people to have in my life. I can provide technical support with computer hardware, software and printers.

INTERESTED?: I will pay for first and last months rent and a deposit up front. I can not be on a lease. I will pay my rent on time.

If you are interested in having me as a roommate, have the landlord contact me via email or phone call. Then we can set up a time to meet each other in person.

Please have the following information ready when contacting me:

- Cost of rent, deposit and utilities
- Location of the house (Cross-streets or exact address)

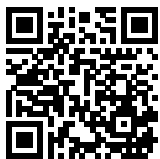

\*\* I prefer email, but if necessary you may call me. Please be available to answer questions or at least set up a time where we.
