I have a short term warehouse assignment (could become full time) to fill for Sunday 09/06/15 10am - 4pm...must be able to count inventory, must be willing to work shirtless, must be able to drive a forklift. Pays \$200 cash for a 6 hour assignment. If interested, send a shirtless pic and contact info. Yes, this is for real, the shirtless is required as if I have to work Sunday, I want something to look at ;-)
Thanks!
