We're looking for Middle School and Junior High aged children to give feedback about a new financial education game for students. The children will be testing an educational game on a computer. The study will take place in downtown Boston near South Station after school (3:30 - 6:30) on 4 different dates in September.

Parent must accompany student and be present in the building during the study session (with the option of being in the testing room if desired.)

If interested, please fill out the questions on the following link.
(Please copy the link if it's not clickable.) ==> <https://www.surveymonkey.com/r/BPQX866>

The session will last 1 hr and the compensation is \$150/pp. Note, the client does NOT keep cash on hand, rather, participants will be mailed a check to an address of your choice shortly after the study.
