

transmission and engine swaps for 200 and up (Indianapolis)

Location **Indiana**
<https://www.genclassifieds.com/x-677395-z>

if you are in need of any repairs I'm your guy. I do it all... engine rebuilds to simple swaps. if you can find it cheaper I'll underbid them don't matter who it is. I am a very professional diesel mechanic and I also do lots of gasoline engines as well. You can afford the best call

I do everything a dealership does and more. thanks for viewing my ad happy
