I have many years of experience as an instructor, guitarist and collector.

I teach a variety of styles on both electric and acoustic.

I teach from my home located near 87th & Nall in Overland Park.

I have a great teaching room that provides a great environment for learning.

I cover all the basics from reading Guitar Tab to understanding Guitar Chord Charts with instructions on how to play songs in many genres including Rock, Blues, Finger Style, Opening Tunings, Soloing & Improvising, Pedal Steel Bends, etc.

My influences are many, from Paul Simon to Jeff Beck, ZZ Top to The Eagles.

My rates are about half what music stores charge.

\$10 for 30 minutes or \$20 for a full hour.

References are available and if you'd like MP3 Samples, reply with your email address so I can forward samples.
