

Gardening, Pet Care and Housecleaning (North Shore)

Location **Hawaii**
<https://www.genclassifieds.com/x-677442-z>

We are looking for a versatile person with experience to help care for our pets, maintain our vegetable and tropical garden, do some housecleaning one day a week and do miscellaneous chores as needed.

Job often requires an ample amount of standing, bending, kneeling, squatting, and lifting upwards to 25-30 lbs. This job is for someone who is fit and has ample energy to get the job done and enjoys working outdoors and being around animals and does not mind getting their hands dirty.

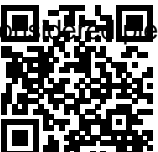

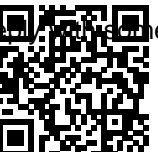

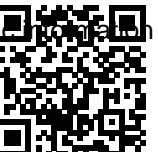

Must be able to work M-W-F approximately 6-8 hours each day. If the fit, desire and drive is right more hours and opportunities may be available at a later date. Must be dedicated, dependable, reliable, honest, cheerful, energetic and be able to work independently. All cleaning supplies and equipment is provided. The work place is a peaceful, drug & smoke free environment.

Duties would include feeding a few small animals and the cleaning of their cages, picking up doggie poop, washing and grooming of 4 dogs, pond maintenance, cleaning of the driveway, car washing and other small jobs as needed. Other duties include general house cleaning (4-6 hrs wk) and taking care of indoor and outdoor tropical plants and everything involved in growing and maintaining a organic vegetable garden grown in raised beds.

We prefer to hire someone already living in the area and who has reliable transportation or is able to walk to work. As stated previously we desire to hire someone with some experience related to this job offer to include some gardening and plant care experience.

We will share fruits and vegetables grown on the property with you or provide a space for you to grow your own small garden if you like.

Speaking fluent English not necessarily required as long as you have the experience and can understand simple phrases and basic commands.
