

PRO TOOLS ENGINEER MIXER AVAILABLE (Biloxi)

Location **Mississippi**
<https://www.genclassifieds.com/x-677482-z>

I have 18 years experience recording, producing, and mixing music and dialog in Pro Tools on Mac computers. I am an experienced pro musician with college degrees in music as well. Looking for all types of engineering gig's but have produced and mixed pop , Rock, and Dance music mostly in my 18 years. Friendly and easy to work with.

Skills

- 17 years of experience working with Pro Tools on a Mac including:
- Installing, authorizing, updating, and using software plug-ins and virtual instruments
- Connecting and using audio interfaces for a Mac and Pro Tools
- Advanced understanding of recording and audio concepts within the DAW environment on a Mac
- Advanced understanding of the production process for music creation within the digital studio.
- Advanced understanding and ability to execute the modern mix and mastering process.
- Delivering audio to the web for personal and professional music uses
