

Really Nice Advanced Vape Kit (125 USD)

Location

Idaho

<https://www.genclassifieds.com/x-677514-z>

Skeleton key battery with extra batter and charger for two batteries

Atlantis Aspire head for nice big hits hardly used (comes with extra glass piece and tip -both new and in package)

3 prong mod to build with two air holes

Beauty/vanity ring

3 extra tips

Whole spool of wire 24AWG 25'

Unopened bag of Cotton Bacon

Juice: King Custard (6), Milky Crunch (6), Derailed (12), + Squeeze bottles made for the King & Milky

Neck strap, and belt loop side pouch

Lots of tools: 4 PC Mini pick & hook, 6 piece precision screwdriver set, many wire cutters, & lastly needle nose pliers. (All of these things I have found greatly useful at one time or another)
