This is Dolly, she is the cutest little orange female kitty, almost all orange with a white chest, white chin and white feet. She is a petite girl, who we believe is about 2 years old. She is a very nice girl as well, friendly, not crazy about being picked up, but loves to sit near you and loves to be petted. She gets along well with other cats in the household. She is an easy going , gentle cat.

She has been virus tested, vaccinated and spayed.

An application is required.
