Need a Good Home, I39m FREE (near Pacific Raceways)

My name is Aria, I'm 3 years old, 7 lbs and a mix of Chihuahua, Minpin, and Mini Ausie. My dad and I moved in with grandma last year and when dad found his own place he couldn't take me. Grandma loves me but already has 3 dogs and even though i like them alright it would be better for me to have an owner all by myself.

I'm house, leash, and crate trained and I love to play plus I listen to humans really well. But most of all I love to cuddle and love my human, they need loves and I'm here to give it to them.

Grandma says I'm free to a good home but with a few conditions. You see, I had puppies 4 months ago and even though i was a fantastic and loving mom I really dont think I want anymore. So my new humans would need to plan on getting me fixed. The puppies were beautiful and healthy even though I've never had any shots. Grandma also wants to find someone that will get me my shots. But most of all she wants me to have someone love me just as much as i will love them. Will it be you? Pleassssssse... call my.
