I am a social worker by profession. I am looking to keep children in the evening or overnight. I am home by 6 pm during the week so ideally I am good for people who work 3rd shift. I am available to provide child care for date nights. I am also available on the weekend. I'm flexible. My rate is \$20/day, and \$30 for overnight stays. My fee is negotiable. My name is Stacey and you can call or text

I have recently had a background check and can provide documentation. I live in Madison,.
