Seasoned artist working on a new upstart website looking to shoot several models in multiple shoots each to generate enough photos to get started.

We're seeking female models of all shapes and sizes -- no particular experience needed, just be comfortable in your own skin. We're focused on natural female beauty -- and are casting models who are natural/unshaved (and 18+).

E-mail with questions or to see prior samples of work. To be considered, please e-mail some recent photos as well as some basic information about yourself.
