Selling my complete fish tank setup. This is a 45 gallon hexagon plexi glass fish tank that is well established, 3 plus years and healthy. It is home to a pleco, two large goldfish and one large oranda goldfish. The fish in the tank have all been there since they were small. We are on good well water, not city water so that is all they have ever lived in. Everything below is included.

45 gallon fish tank Medium Pleco 2 large Goldfish Large Oranda Goldfish Goldfish food pellets Freshwater master test kit Lifeguard medication Ick medication Ick medication Extra PH test kit Leaf zone Fish net Thermometer Changing color LED light strip in gravel White LED light strip on tank Decorations
