Very cute Yorkie female, 12 wks old. She is absolutely gorgeous.
Puppy is very playful and sweet, she loves everybody.. she is charting to be around 5 lbs fully grown.
Puppy comes with shots, deworming, and health certificate from vet. I am asking \$ 700.00 for her.
Please do not ask for cheaper price, because I will not go any cheaper, I paid over \$ 200.00 for tail docking, dewclaws removing and health certificate. She is CKC registered.
Please email me with your phone # and I will call you back.
Puppy is ready to go.
