Please Send a few pictures and a little about yourself via email and leave your phone#. I will call you to talk more if I feel you are what we need. Please tell me a bit about yourself and motorcycle knowledge as well. Cannot have flakes. We need 2-3 girls depending who I find to be motivated and wanting to work. We are a small company trying to grow so we need trustworthy people who love to be around this type of crowd. Hoping to hire a few girls by mid October and have things lined up and ready to go. We will be coming out to Vegas with a crew of about 4 and you will be working with all of us. If things go well there may be more work in the future in different locations around the southwest. Thank you.
