I already have a few tattoos on my left arm and would like it to be a full sleeve. I'm hoping to find an artist that would like to use my arm as practice. I have a few ideas of what I'd like. If you can do decent work and want to get some practice then hit me up! I don't want to pay full price or else I would just go to a shop but you will get paid per hour plus a tip if you don't mess up or tear up my.
