

Need Stellar Tile Setter for Large ShowerBathroom (Bethany)

Location **Oregon**
<https://www.genclassifieds.com/x-679314-z>

Here is the deal:

1. I will install 1/2" Schluter Kerdi backer with their proprietary sloped pan and linear drain.
2. I will install Schluter Ditra on the floor throughout the bathroom as well (trim removed).
3. I've acquired the tile (Large Format Porcelanosa, see picture for specifics, ignore backsplash)

	Brand	Model	Size	Sqft	Min Sqft.	Quantity
Shower Floor	Porcelanosa	Nimbus Silver	13"x13"	26.312	32.28	22
Shower Wall/Bath Floor	Porcelanosa	Marmol Carrara Blanco Brillo	23"x23"	191.01	198.77	52
Backsplash	Porcelanosa	Mosaico Carrara Blanco	12"x35"	18.36	24.48	6
Shower Trim	Daltile	Snow Illusion	2.625"x12"	2.96	2.96	14

What I need:

1. Estimate for labor to tile the entire shower, 3.5'x5'x8' curbless, 1/16" grout
2. Estimate for labor to tile bathroom floor, about 65 sqft, 1/16" grout
3. An approximate timeline to do either or both (I'm hoping Sept 26-29)
4. Estimate for labor to install Kerdi as well

My client is exceptionally picky, so it is imperative that the tile work is superb. I also expect you to be very experienced in tile work and confident working with large tiles and 1/16" grout lines, as well as familiar with Schluter backer materials.

Call, text, email.
