

Use your UAV (Drone) to make money

Location **South Carolina**

We need aerial photos taken of properties. Ideal for UAV operators with a GoPro or equivalent high resolution integrated camera (like a DJI Phantom 2/3, Vision+, Inspire 1, etc.). Our company -- BetterView - conducts aerial roof inspections for insurance companies and roofing contractors. We need pilots to fly and collect images of roofs and structures.

If interested, please respond to this ad or sign-up as a provider ("Drone Operators") at our website: www.better.vu
