Live on a farm in Southern Vermont. I am looking to adopt twins or a single child...0-12....I am a professional....travel to Florida in summer.....Europe in winter...My dream was to have twins boys or girls identical or non identical or a second child....all fees will be paid by me....if you know of anybody who is unable to keep their children and wants an open adoption/to see their child once adoption is final...then give me a call.....If dcf takes your child.....your chances of an open adoption are close to 0%....

I look forward to meeting you....
