Looking for a great business to make good money and be outside and be your own boss. I am moving out of state so i am selling my auto detail business. I am selling my van which comes with generator, pressure washer, compressor, 300 gallon water tank, carpet cleaner, steamer, polisher, and tons of chemicals. It is a very nice set up and van. I also just put 1000 worth of new Michelin Tires on it. I have some great clients and the client list will go with the equipment. (this may be best part of the deal) (Cash only, no payments) Call Jerry at

for more.
