

# Need a ride to California

Location **South Dakota**  
<https://www.genclassifieds.com/x-679628-z>

I'm a Swedish boy and a dog, looking for a ride to California. I have lived in the U.S. for 3 years. I'm a likable guy, am willing to split the costs, and help with driving.

I would like to be in California, before the 20th of September, preferably by San Francisco. If you have any questions for me, please let me know by text. 870-416
