

Aussie pups

Location **Wisconsin**
<https://www.genclassifieds.com/x-679633-z>

Purebred Australian Shepherd pups for rehoming. Pups are family raised with parents on site. Pups come with paper work to be papered and they receive first distemper vaccine before going to a new home. Pups will also be dewormed before leaving. Pups will be ready by September 12th. Serious inquiries.
