Family room with gas log fireplace for cooler evenings. The fabulous great room has soaring ceilings that create a light and airy ambiance. The kitchen features a lot of cupboards with loads of storage cabinets. Contemporary four BR / three bathroom home has lovely finishes with coved wood ceilings, hardwood floors and skylights. The 2nd floor master has laundry hookup that could be easily converted into a secluded master bathroom. This house and property has it all! The giant and open ground floor is perfect for entertaining guest or simply watching the kids while in the kitchen. Warm and inviting!
