

# female Boston terrier (fairfield vacaville)

Location **California**  
<https://www.genclassifieds.com/x-679953-z>

My neighbor in Vallejo found a female Boston terrier in Fairfield around 8/14. She is now with me and I'm looking for her family. She is mostly black with some white markings. Please send me a picture of your missing dog so I can identify if it is the same.
