

BLOWONE vape pen vaporizer battery 650Mah w usb charger (5 USD)

Location **California**
<https://www.genclassifieds.com/x-680001-z>

I bought the BLOW vape, ruined the wick and top so this is basically unused. Only the battery and charger is available (I threw the top part away). The battery is threaded so you can screw it onto your top. Yes only \$5.
