

# Needed SUB CONTRACTOR FOR MAINTENANCE WORK

Location **Minnesota**  
<https://www.genclassifieds.com/x-680138-z>

Have a need to sub about 7 small jobs a week to a professional sub, I have more landlords than I can handle after a busy season. Some landlords and some retail.

Small jobs \$100 or so per. \$500 - \$600 per week part timing it, great fill in work

Must have tools and transportation, if you are qualified but no insurance maybe we can work something out to cover you under.
