

Concrete work

Location **South Dakota**
<https://www.genclassifieds.com/x-694551-z>

Concrete contractor located in southeastern South Dakota. I am able to complete several different types of concrete work such as flat work, drain tile, driveways, sidewalks, steps, curb and gutter, basements, and farm work. Concrete can be finished in all different types such as broomed, power troweled, or exposed aggregate. I am also able to stamp or stain concrete to your liking. Call Top Grade Concrete at 605-nine nine nine-seven eight seven seven.
