Looking for a fun and safe place to take your child for daycare? Look no further!

I am currently looking to assist with one child between the ages of 2-5 starting the second Monday in October from 7am-6pm M-F. My home is safe and smoke free. I have a small dog who is very friendly and loves children. I also have my own daughter who will be apart of the team as well.

I will provide early morning breakfast and lunch. I provide help with homework and arts and crafts will be apart of the daily routine. I enjoy taking the children on field trips and doing fun and educational activities outside.

Please email me for further information.

Let your kid be a kid while at their home away from.
