California Location https://www.genclassifieds.com/x-694695-z

We are looking for crew to set up and tear down at events! We do everything from weddings to corporate parties and tons in between. We need people with weekend availability, who are comfortable with heavy lifting as well as detail work. We unload and set up tables, chairs, av equipment, candy tables, floral, draping, and anything else our clients need quickly and efficiently. If this sounds like something you would be interested in, send me an email with some info about yourself and why you would fit this position. Great for students, or anyone looking for some extra hours.
