

# Broken Record Player

Location **Arkansas**  
<https://www.genclassifieds.com/x-694736-z>

I recently received an old 1970's Zenith record player. The turn table will not spin, and it probably needs to be cleaned underneath and the belt reattached, but I can not figure it out and do not want to break it more. If you can get it working I will pay you a fee after negotiation. Please help me get this awesome vintage record player working so I can finally play some!
