

Found Beagle Male (Esplanade)

Location **Louisiana**
<https://www.genclassifieds.com/x-694884-z>

Found a male beagle roaming around the intersection of Broad and Esplanade last night Oct 2. No collar, very friendly, quiet and domesticated. No unique characteristics that would really help identify this pup. He also could be some sort of beagle mix, but I can't be sure. Message or call if you know of anyone looking for this little!
