Hello. I am selling my jeep jku (4 door) summer top set. I got this from quadratec- includes bikini top, wind stopper with clear window, and duster deck cover. I bought this set, had it on for about 2 weeks, and it just didn't do it for me. It's a great top, just not my style. This thing is in perfect condition. It can be seen here- <http://m.quadratec.com/products/product.php?pgid=11180+43X> I would like to sell it, however I am open to trades or partial trades. I am looking for a 9.5k or more winch, 17" rims (either some stock ones or a nice set of flat black), trek top nx, rear bumper with tire carrier, tube/half doors, led lights, or if you have something sweet just ask. Otherwise \$350/obo. Thanks-
