My name's Alex Yoder. I have the tools to complete a tear down of all the vehicle's components and then repair or replace with new or used. For small jobs, I charge \$25.00 per hour cash or check. I have a commercial account with Advance Auto and O'Reilly Auto which allows me a 20% discount, but the same parts I get at Advance can be bought online for a much larger discount with the exception of having to wait a few days it's the better deal.

FREE DIAGNOSIS!!!
